How to fulfill the open access mandates
Plan Estatal (proyectos I+D) and Horizon 2020 from European Commission

What publications should be open access?
All peer-reviewed scientific publications related to the results of a project funded under Horizon 2020 or the State Budget.

Contact the Library
What do mandates say?

WHAT
Peer reviewed scientific publications produced in the framework of an European or Spanish project.

WHO
Researchers from the UPF with European grants (FP7, H2020) or Spanish (Plan Nacional).

HOW
Enter your publication (citation and postprint) into PPC. The Library will update your CV and publish it in the e-Repositori.

WHEN
At the latest within 6 months (science and technology) or 12 months (social sciences and humanities) of publication.

Versions of research output

1. Preprint - Manuscript
   - Submit to publisher
   - Peer Review
   - Edit

2. Postprint - Accepted Manuscript
   - Accepted by publisher
   - Copyediting/Typesetting

3. Published Version of record
   - Version you can deposit
